Dear Mr. Epperly,

Enclosed are copies of pages from the Florida House and Senate Journals for 1866 with information pertaining to the ratification of the 14th Amendment to the U.S. Constitution. Included are the votes on the amendment. The Journals do not include much in the way of debate, however.

I have indicated dates and whether the information is from the House or Senate Journal. It appears that votes in the Senate took place on December 3, 1866 and December 4, 1866. In the House the vote took place on December 1, 1866.

I hope this information will be helpful to you. Please forgive the delay in relaying the information to you; finding the information required some painstaking searching.

Yours truly,

Sue Cnudde
