

One Single Body

By Bill Ivy

What connects all Constitutional Activists into one single body? A **single faucet** which has caused **all** the flooding that activists **attempt** to mop up!

The 14th Amendment **is that faucet**. The results of **violence** against Article V and the **results of failure** of Due Process of Law! **It never ratified!!**

How are **all** Constitutional Activisms **connected** to this single amendment for **their solution/answer?**

- A) Created a **National citizen** of Congress, giving definition to citizen of the United States, the **US citizen** that was **non-existent**. **Only** state citizenship had existed.
- B) Two years **after** the creation of the US citizen, a national of Congress, such citizen **not** having suffrage at its creation, **gained** suffrage (vote) through the 15th Amendment of 1870.
- C) This **new** vote, of a **new** citizenship would then influence **all** election outcomes thereafter, at the **Federal, State and Local** levels of government.
- D) Those thus seated into office **after 1870** via the influence of this **new vote** would then write and pass **all law, Amendments, Acts, Resolutions, Codes, Statutes**, many of which are **battled against by today's activists**.
- E) **All** those elections, **those seated** into office and **all law written/passed** after the 14th Amendments "adoption" **rely 100% upon the validity of the 14th Amendment** being a **lawful amendment** to the US Constitution. If it were not, **the House of Cards Crumble!**

Those Constitutional Activists that are serious about the restoration of America better **wake up now** and give the question of the 14th Amendments **validity** their serious study. Should they **fail to do so**, the fears being experienced at this time **will become** the realities of the end for **any hope**. A single faucet, foundation to **all battled against** connects **all** Constitutionalists into **one single body!** Wake up to **this truth**. Call the **Article V Group** with your questions and to chat if you are serious about the **restoration of America** and our **true intended heritage** as Americans. **Call, call, call!** An e-mail means that you are **not serious enough**. Or you can continue down that same broad road that leads on to the end rather than the single straight and narrow path that offers hope.
